

FEDERATION OF SOUTHERN COOPERTIVES / LAND ASSISTANCE FUND
Administrative Office
East Point, GA

We are currently seeking a skilled and experienced business, economic and / or community development specialist to hire as the Director of Cooperative Development & Strategic Initiatives.

The Federation of Southern Cooperatives/Land Assistance Fund is a 50 year old regional non-profit cooperative association of black farmers, landowners and cooperatives chartered to work throughout the Deep South; with an administrative office in the East point, Georgia, field offices in S.W. Georgia, Mississippi, South Carolina and Louisiana; a Rural Training & Research Center in Alabama; and membership & networks also in North Carolina, Kentucky, Texas and other Southern states.

This position is based out of our administrative office in East Point, GA, but will work closely with our field offices, membership and networks. Travel is required.

Interested and qualified candidates should submit a cover letter and resume directly to careers@federation.coop for consideration. Qualified candidates will be contacted regarding their availability to interview.
